

LCPC NEWS

Lake Chelan Pickleball Club - <https://lakechelanpickleballclub.com>

Play is continuing - as of this writing there are 110 members. The courts are open for play Monday through Saturday at 9:00 a.m. (again, as of this writing) and Tuesday and Thursday evenings at 5:00 p.m. Rod Anderson has created ladder play during evening play for those who want to compete a bit more. Ladder play creates more competitive match play on all courts as players move up and down the ladder based on accumulative results. Come try it out!

An app, **TeamReach**, is now being used as a quick communication tool for club members to sign up for ladder play, to get notification of changes to the schedule, and especially when players need to know what's going on fast. The Group name is **Lake Chelan Pickleball Club** and the group code is **pbinfo**. Signing up is easy and you'll get quick news!

Club Meeting Recap

There was an all-club meeting on May 9, attended by about 50 members and a few guests. Great beverages were provided by Maija and Don Sorensen, Marilyn Raines, and members of the Board of Directors. Of course there were desserts since food is what we like most about meetings!

Board members and positions were ratified:

Rod Anderson - President

Garth Williams - Vice President

Wendy Ross - Treasurer

Miki Tromburg - Secretary

Barbara Sovde - at large and Communications

In addition, Carolyn Anderson is the webmaster and Facebook/Instagram coordinator. The Club website is <https://lakechelanpickleballclub.com>.

Pictures and Information

As the website continues to be expanded, Carolyn would like pictures, drone footage, information pertinent to the Club members including upcoming tournaments, etc. Please submit to c.anderson66@hotmail.com.

Carolyn is also working on an online pop-up shop for shirts. Stay tuned.

Tournament at Harmony Meadows

Several LCPC members won medals at the tournament last month. Check out the website for more information. The next more local tournament will be this fall at Wapato Point.

Things to Think About

- More social events? Round Robins? Drills? Clinics? All of these things have potential but need volunteers to coordinate and manage. Please reply to any of the Board members listed to the left if you have ideas and want to take the lead.
- Paddle donation continues. Your nicely used paddles will be donated to the high schools for their Pickleball PE units. Bring them to the courts.
- **Please be ready to play if your paddle is next up!** Names on paddles are always helpful if a player is not paying attention to the "NEED TWO" call.
- Social courts are 3, 5, 6. Challenge courts are 1, 2, 4. Sometimes there are crossovers which after any game may change and is not permanent thing for that day. Players come late, leave early, change their minds, all of which changes the numbers and those courts. It's always good to watch and be ready to go.
