

LCPC Board Meeting Minutes – Monday, May 11, 2026

Meeting was called to order at 5:00pm at Rod Anderson's house.

In attendance: Rod Anderson, Barbara Sovde, Brett Davis, Cherie Schmidt; Don Sorenson participated via phone

Board Positions Open for 2026-2027

Two spots open – Rod and Don. Don is not returning, and Rod plans to run one more time as President. Charles Glenn agreed to take Don's spot. To date, no one else has stepped up with interest for either open position.

Membership

1. Dues increasing June 1 to \$35
2. Count is at ~170 as of this meeting
3. Carolyn/Rod will manage the TR list, admitting people to the TR group with confirmed membership payment – and giving reminders and warnings to people before June 1

Pickle Planners

Will be split into 2 groups, Social for PB-adjacent activities and Events for PB special events (mostly Monday club nights).

Diane Barnes and Carol Bowers want to continue on Social and not Events

Brett Davis and Kristen Harding will continue on Events.

Paula Fitzpatrick volunteered for both

Brett to follow up with the volunteers and club about getting a few more people for Events

Monday night special events will start June 1 (May 25 is Memorial Day and we skipped that last year)

Events are allowed to be catered with club funds – especially Rick Z's fundraiser in 2025 was specifically earmarked for events. We will add "afterparty" for each Monday night, where it will NOT be capped, so no one can complain about the club spending money on capped events.

Darnells

1. Courts condition/refinish? Marilyn holds the cards! We are not sure she will get this done, we have heard that her concrete guy bailed on her and she doesn't have another vendor
2. Schedule same as last year? Yes, the Board would like these sessions:
 - a. M-Sa morning – open play
 - b. M evening – events per Pickle-Planners
 - c. Tu & Th evening – some brand of more competitive format
 - d. W evening – open play
